"Where Every Child Matters and Every Day Counts"

Friday 29th November 2024

Dear Parents and Carers,

We have been made aware of bikes and scooters being stolen from the bike shed. Having reviewed the CCTV we can see that sometimes this is children taking scooters, which do not belong to them, playing on them and then leaving them in the playground. We have also seen children taking bikes and scooters out of the school grounds which do not belong to them.

I am sure that you can appreciate the upset this is causing children and their families. We are therefore making the following changes and ask for your help with this.

- The bike shed will be unlocked at 8:30am and locked again at 8:45am
- At 3:00pm the bike shed will be unlocked and a member of the Senior Leadership Team or Harry, our Site Supervisor, will stand near the shed to supervise children collecting their bike or scooter
- The bike shed will be locked again at 3:20pm, for children who are attending after school clubs, and opened when these clubs finish

Can I ask all parents and carers to help their child understand that they should not take a scooter or bike that does not belong to them.

Thank you for your support,

A L Jamieson
