

A colorful illustration of several children of diverse ethnicities holding hands in a circle. The children are smiling and looking towards the center. The background is white.

When your child starts school, they will be making new friends and playing with more children.

It's important that you keep up to date with your child's vaccines.

Before your child starts school make sure they are up to date with their MMR vaccine.

Each year in school your child will be offered the free flu vaccine.

Porcine free vaccines will be available for your child if required.
