"Where Every Child Matters and Every Day Counts"

Dear Parents and Carers,

From 1st September 2025, there will be a slight increase in the cost of school meals due to rising supplier costs. The price of a school meal will increase by 8 pence, bringing the new cost to **£2.73 per meal**. This represents a 3.1% increase, which is in line with the current rate of inflation in the UK.

We understand that any increase in costs can be a concern, and we would like to remind families that support may be available. If you think your child may be eligible for additional support/free school meals, please visit the following link for more information and to apply:

<https://www.stockport.gov.uk/start/free-school-meals-application-form>

All children in Reception, Year 1, and Year 2 are still entitled to a free school meal every day under the government's Universal Infant Free School Meals scheme.

Thank you for your continued support.

Yours sincerely,

Deborah Henderson
