

Admissions

Welcome! This section explains how to apply for places at our school, a process managed by Stockport MBC. Whether you're applying for Nursery, Primary, Secondary, or mid-year transfers, all applications must be completed online. Find all the details you need right here!

Nursery Admission

Our Nursery offers 40 part-time places with friendly, experienced staff creating exciting first-hand learning experiences! Your child can join us for 15 or 30-hour entitlement places starting the term after they turn three.

We encourage children to explore both indoors and outdoors, think creatively, and build confidence through new experiences. Working closely with parents and carers is super important to us — we love sharing your child's progress!

Reception Admission

Reception admissions are managed by Stockport MBC during the Autumn term before your child turns five (September 2025 entry). We have 30 places available!

For full details and to apply online (no paper forms available), please visit the Stockport Council website [here](#).

Special Educational Needs (SEN)

Every child is unique! Some children may have additional needs like physical or sensory challenges, language difficulties, or emotional and behavioural support. At Bridge Hall, we're committed to supporting all children, mostly within our mainstream setting.

Our Special Educational Needs Coordinator (SENDSCO) is here to help guide and support you and your child throughout their time with us.
