Any early collections must be approved in advance by the Headteacher.

Please provide proof of medical appointments when taking your child out of school.

Reading

Congratulations to all the children who achieved their **Bronze Award** for reading at home during the Autumn Term. Thank you to parents and carers for supporting regular reading.

This term, children will be working towards their **Silver Award**. We ask that each child reads at home **at least three times per week**.

If your child hasn't yet earned their Bronze Award, there is still plenty of time—keep going!

Facebook

Thank you to everyone who engages positively with our school Facebook page. It's lovely to see such supportive comments and interactions.

For child sickness notifications, absences, or general queries, please contact the school office directly. This ensures your message is received promptly and handled appropriately.

Respect

Over recent months, there have been a few instances where staff have experienced verbal aggression from parents. This is not acceptable. Our team works hard to support families and always aims to go above and beyond, but aggressive communication makes this difficult.

We understand that situations can feel stressful. If you need support, please contact the school office to arrange a time to speak with a member of staff who can help.

Games and Jigsaws

We would be grateful for any donations of **unwanted games or jigsaws** for our Breakfast and After School Clubs. These help provide fun and engaging activities for the children.
